QUIK BREAK

Non-Flammable Penetrating Oil

QUIK BREAK is the must have lubricant for every benchtop, workshop and garage.

- Revolutionary formula cuts through rust, corrosion—even heat-seared oils and greases.
- Designed for safety — **QUIK BREAK** is both non-flammable and non-conducting.
- Displaces moisture.
- Frees corroded nuts and bolts.
- Ideal protectant for battery terminals.
- Essential in flood-prone areas.
- A necessity for emergency tire changes.
A can should be in every vehicle in your fleet.
- Easy-to-use aerosol lets you pinpoint treatment.

Perfect for use on...

- All rolling stock
- Forklifts and other heavy equipment
- Vending machines
- Refrigeration equipment, dishwashers
- Airplanes
- Golf carts
- Electrical panels
- Laundromats
- Parking meters
- Wheelchairs, gurneys and hospital beds
