# TPS Total Pressure Spray

Foaming Long Distance High Pressure Spray with Citrus

Added spray pressure puts the product where you need it.

**TPS Total Pressure Spray** provides a strong stream of degreasing power to clean dirt, grease, grime and oil away from surfaces. It foams onto the surface for added cling time while working its way into the microscopic pores of the surface to break through the grime. Contains natural citrus and other surfactants for excellent cleaning performance and leaves a fresh citrus scent.

**TPS Total Pressure Spray is perfect for use with:**

- Motors
- Engines
- Tools
- Exhaust Fans
- Appliances
- Refrigeration Coils
- Machinery
- Vehicles
- Rims
- Industrial Equipment
- Concrete and more.

**TPS Total Pressure Spray Provides:**

- Powerful Spray (Sprays Up to 9 Feet)
- Thick Clinging Foam for Added Dwell Time
- Spray Stream That Accesses Hard to Reach Areas
- Cleaning Action Begins on Contact
- Fresh Citrus Scent

Simply spray it on the surface to be cleaned; let the foam do its work and then rinse or wipe away the dirt.

**TPS Total Pressure Spray** puts the cleaning power right in your hands.
