

UNITED

LABORATORIES

SMART SOLVE® Universal Degreaser solves your degreasing and cleaning needs with a high pressure spray that penetrates, loosens and lifts tough grease and soils. It is specially formulated to get even the tough jobs done, while still being safer for you and for the environment.

United 181 is:

- Bio-Based - From Vegetable Extract
- NPE-Free • VOC-Free
- Petroleum Distillate Free
- Non-Caustic, Non-Corrosive, Non-Acid
- Free of Chlorinated Hydrocarbons

DIRECTIONS:

Always use product in a well ventilated area.

1. Direct nozzle at area to be cleaned, holding can approximately 8 inches (20 cm) away from surface.
2. Spray a liberal amount on surface and allow time to penetrate soils. For thicker deposits, allow extra time. For really stubborn spots, agitate with a brush.
3. Wipe clean with a damp cloth or rinse thoroughly with water.

HANDLING AND STORAGE: Keep containers tightly closed when not in use. Store in a cool, dry, well-ventilated area away from sources of ignition. This product may solidify when stored below 35°F and may affect the performance. Allow to sit at room temperature before using product to ensure best product performance.

An SDS for this product is available through United's website, www.unitedlabsinc.com, providing 24 hour access. Please read the SDS carefully and follow all directions when using or handling this product.

DANGER: Extremely Flammable Aerosol. Contains gas under pressure; may explode if heated. Harmful if swallowed. Causes skin and serious eye irritation.

Keep away from heat, sparks, open flames, and hot surfaces. -No smoking. Do not spray on an open flame or other ignition source. Pressurized container: Do not pierce or burn, even after use. Protect from sunlight. Do not expose to

temperatures exceeding 50°C/122°F. Store in a well-ventilated place. Wash hands thoroughly after handling. Do not eat, drink or smoke when using this product. Wear protective gloves and eye protection. If on skin: Wash with plenty of water. If skin irritation occurs: Get medical attention. Take off contaminated clothing and wash before reuse. If in eyes: Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing. If eye irritation persists: Get medical attention. If swallowed: Immediately call a poison center or doctor if you feel unwell. Rinse mouth. Dispose of contents and container in accordance with local, state, and national regulations.

FIRST AID:

IF IN EYES: Remove contact lenses. Flush with water for at least 15 minutes. See a physician if irritation persists.

IF ON SKIN: Immediately wash with soap and water for 15 minutes. Remove contaminated clothing and shoes immediately. Seek medical attention if irritation persists.

IF INHALED: Move to fresh air. If breathing is difficult or unconscious, administer oxygen. If not breathing administer artificial respiration. Seek medical attention if irritation persists.

IF SWALLOWED: Rinse mouth with water. Do not induce vomiting unless directed by medical authority. Seek medical attention if irritation persists.
