

UNITED

LABORATORIES

United 183 is a high pressure spray providing clinging dense foam which allows for extended degreasing time to clean deep down into the microscopic pores of the surface. It deodorizes while degreasing and leaves a pleasant citrus scent. **United 183** combines nature's unique cleaning capabilities with a powerful spray foam to create the ultimate biodegradable cleaning product.

GREAT FOR THESE APPLICATIONS:

- Motors • Tools • Exhaust Vents
- Refrigeration Coils • Engines
- Appliances • Road Equipment
- Vehicles • Rims • Machinery
- Industrial Equipment • Concrete • Etc.

DIRECTIONS:

SHAKE WELL BEFORE USING. For best results, spray directly onto soiled surfaces. Allow foam to remain on the surface for five minutes then flush with water or wipe clean. For heavy build-up allow foam to remain on the surface for several minutes prior to flushing or wiping. For thick encrusted build-up a stiff bristle brush may be required.

NOTE: This product produces vapors that are flammable when concentrated or confined. Keep away from heat, sparks or open flame. Allow areas where product has been sprayed to ventilate thoroughly before using energizing equipment. Avoid contact with eyes and skin.
