- Grease
- Adhesives
- Lubricants
- Oils
- Ink
- Tar

Do your hands first, then clean your:

- Tools
- Equipment
- Plastics
- Tool Boxes
- Workbench
- Vinyl
- Metal
- Paint Brushes

On plastic, please test in an inconspicuous area. Do not use on computer screens.

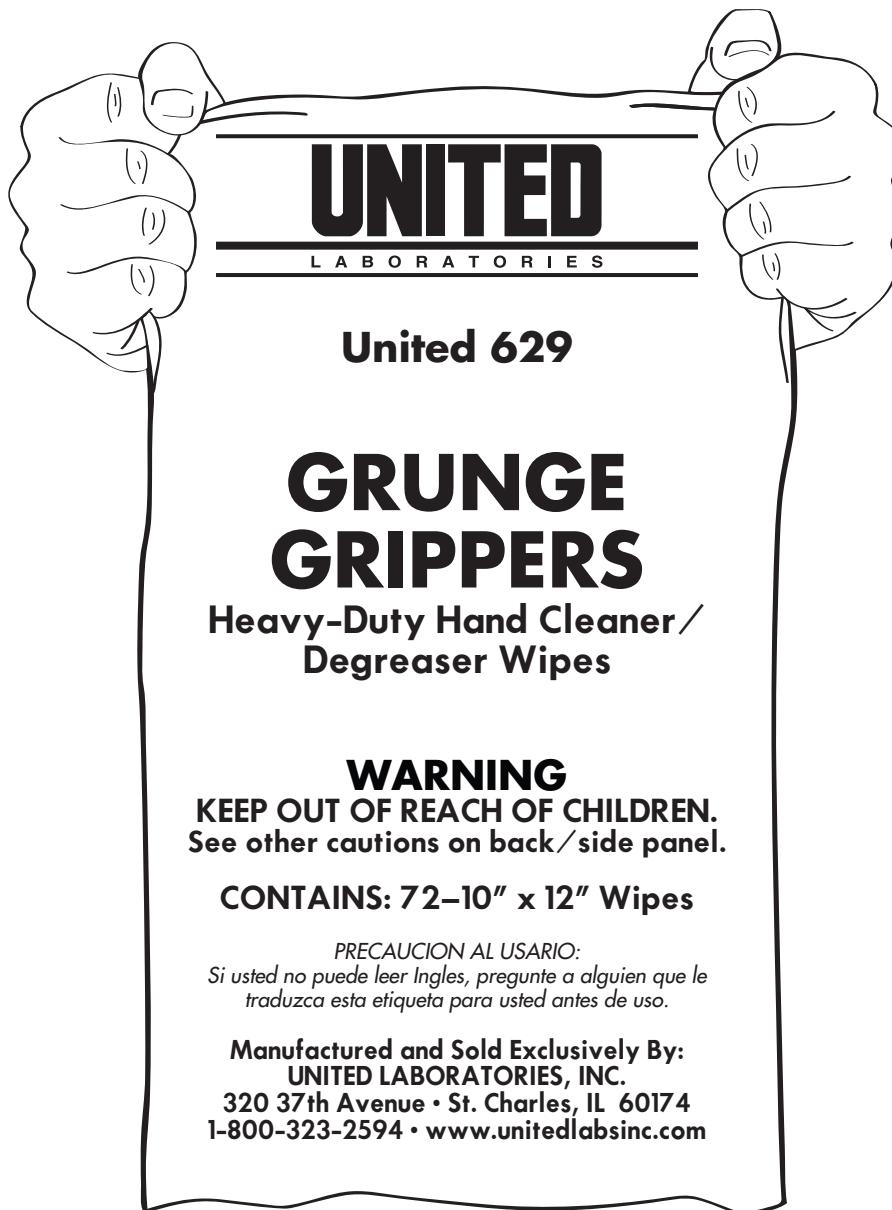

DIRECTIONS FOR DISPENSING:

Remove lid. Pull towels up from the center of the roll and twist into a point. Open the closure mechanism of the lid and insert the open-holed triangular side piece through the notched opening in the lid. Insert towel through the triangular opening and then from top of lid, pull the lid closure back out, feeding the towel through the lid.

HANDLING AND STORAGE:

Always keep lid closure sealed tightly when not in use to prevent towels from drying out.

DO NOT FLUSH

WARNING: Harmful if swallowed. Causes serious eye irritation.

Keep away from heat/sparks/open flames/hot surfaces. No smoking. Keep container tightly closed. Avoid breathing mist or vapor. Avoid release to the environment. **IF IN EYES:** Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing. If eye irritation persists: get medical advice/attention. **IF ON SKIN (or hair):** Wash with soap and water. If skin irritation persists, get medical advice/attention. Store in a well-ventilated place. Keep cool. Dispose of contents/container in accordance with local, regional, national, international regulations.

ADDITIONAL FIRST AID MEASURES:

IF INHALED: Move to fresh air. Call a physician if symptoms develop or persist.

IF SWALLOWED: Rinse mouth. Do not induce vomiting. Get medical attention if symptoms occur.
