DIRECTIONS:

Pair this product with one of United's Clear Drain Dosing Systems to automatically feed product at timed intervals. Typically six gallons of product is fed over a 5-week period to provide continual control. Your United Sales representative will work with you to find the right mix of product based on your system and volume of flow.

FIRST AID MEASURES:

IF IN EYES: Flush with plenty of water for at least 15 minutes. Seek medical advice if irritation persists.

IF ON SKIN: Wash with soap and water. If irritation persists, consult a physician.

IF INHALED: Remove to fresh air. Consult a physician if irritation persists.

IF SWALLOWED: Rinse mouth and drink plenty of water.

An SDS for this product is available through United's website, www.unitedlabsinc.com, providing 24 hour access. Please read the SDS carefully and follow all directions when using or handling this product. Never reuse empty containers. Incompatible materials may adversely react.
